Alberto Acito, *Director Italian Innovation Center, Innovit*

Fireside Chat

Pierluigi Paracchi

member of **Federchimica Assobiotech's** Executive Committee and Coordinator Start-ups & SMEs' Area, **CEO Genenta Science (Nasdaq:GNTA)**

dialogues with

Mira Chaurushiya, Ph.D.

Managing Director **Westlake Village BioPartners**

Dr. Chaurushiya is a fellow of the Society of Kauffman Fellows. After a postdoctoral fellowship in physiological chemistry at Genentech, she joined 5AM Ventures becoming a partner. She invested in and served as director or observer on the boards of multiple organizations, including Precision Nanosystems, Ideaya Biosciences (IDYA), Enliven Therapeutics, Escient Pharmaceuticals, Magnetic Insight, Novome Biotechnologies, Purigen Biosystems, NodThera and TMRW.

Sergio Abrignani MD Ph.D.

Scientific Director **National Institute of Molecular Genetics of Milan**

He is the Scientific Director of the National Institute of Molecular Genetics of Milan and full professor of Immunology and Immunopathology at the University of Milan. He has twenty years of industrial research experience in pharma and biotech, and ten years of academic research experience. His most recent research activity is focused on the identification of new targets on intratumoral Treg cells for cancer immunotherapy. He serves in the Board of several research Institutes and biotech companies.
